

CABBAGE SALAD

(Makes approximately 35 servings)

Ingredients:

1 large head cabbage
1/2 medium mild onion
3 carrots
1 cup mayonnaise
1 tbsp. sugar
salt & pepper, to taste

Directions:

Chop cabbage fine (use a food processor on 'Pulse' setting, but please do not grind cabbage too fine).

Finely dice onion (don't use a food processor for the onion – it makes them too strong).

Shred carrots or use food processor. Sprinkle with sugar, salt & pepper.

Add mayonnaise.
