

THIRTEENTH AND FOURTEENTH SUNDAYS IN ORDINARY TIME

SCRIPTURE MESSAGE: Today's readings speak of the gift of life, both physical and spiritual, that God has given us. They urge and challenge us to be grateful for our health in body and soul and to use God's gifts of life and health responsibly. **Scripture lessons:** The first reading, taken from the Book of Wisdom, tells us that God gave us life and health and that it was the jealousy of the Satan that produced illness and death. The reading also suggests that the *goal* of our lives on earth is to know, to love, and to serve God here with perfect health in body and soul, and to share God's immortal life forever. In the second reading, St. Paul asks the Corinthian Christian community to show to their Jewish brothers and sisters in Jerusalem, living in poverty and sickness, the kindness and compassion which Jesus expressed in his healing ministry. Paul asked the Corinthians to be generous in their contributions to a fund being collected for their suffering brothers and sisters. The generosity of Jesus is the central theme here also, because Paul describes Jesus' life, death and Resurrection as "*the gracious act of our Lord Jesus Christ.*" Today's Gospel describes two of our Lord's miracles, the healing of a woman who suffered from a chronic bleeding disease and the returning of the dead daughter of Jairus to life. **Life messages:** We need to accept God's call to health, wholeness and holiness. Jesus accepts us as we are. Hence, let us bring before him our bodily illnesses and spiritual wounds and ask for his healing touch. As Christians, we believe that Jesus continues to heal us through his instruments in the medical profession like doctors, nurses and medical technicians. Hence, when we go to a doctor, we need to offer a prayer to Christ *The Divine Healer*, that we may choose the right doctor, and that he or she will make the correct diagnosis, prescribe the correct treatment and give us the right medicine. Let us not forget the truth, that Christ still works wonders of healing. Let us also thank God for the great gift of health and use it for helping those who are sick.

July 1 is celebrated as Canada's birthday. Canadians should seek to be witnesses to Christ in Canada and the world, and to continue working to influence those in government to act from Christian principles and attitudes. Christians, realizing they do not have a lasting home here, should pray and work for justice and peace in Canada and throughout the world, so that all God's people may share the goods of this earth. God's kingdom will come only when all people are ready to let Christ's teaching guide and rule their lives and actions.

JOKE OF THE WEEK: A deaf man, a blind man and a disabled man heard a rumor that God had come down to a Church in the village to heal the sick. They all went to find out if it was true. God signed to the deaf man, "Can I help you, son?" The man signed back that he would be so happy if he could hear again. God touched the man and suddenly he could hear. God then touched the blind man and he was able to see. The third man was sitting in his wheelchair with his mouth wide open in amazement. God looked at the man and asked him what he wanted. The man drew back and yelled, "Don't lay one finger on me! I'm on disability!"
